

WEARABLE Towel™

STEP 1

Place arm through outer opening, with towel coming across the front of your body.

STEP 2

Bring other end of towel behind the back of your body.

STEP 3

Place same arm through other outer opening and bring it up to your shoulder.

STEP 1

Place one arm through outer opening and other arm through middle opening, with the towel coming across the front of your body.

STEP 2

Bring other end of towel behind the back of your body.

STEP 3

Place arm through other outer opening and bring it up to your shoulder.
